

BUILDING YOUR FUTURE

Come and find out what's happening in Claypit Lane

Major changes are taking place in and around Claypit Lane to build a better future for local people.

In November/December four housing information sessions are being held, to let residents know what's been happening so far and what's planned for the months and years to come

– ***see back page for dates, times and venues.***

This is your chance to find out more about the developments listed overleaf, to meet those involved in making them happen and to ask any questions you may have.

Don't miss out!

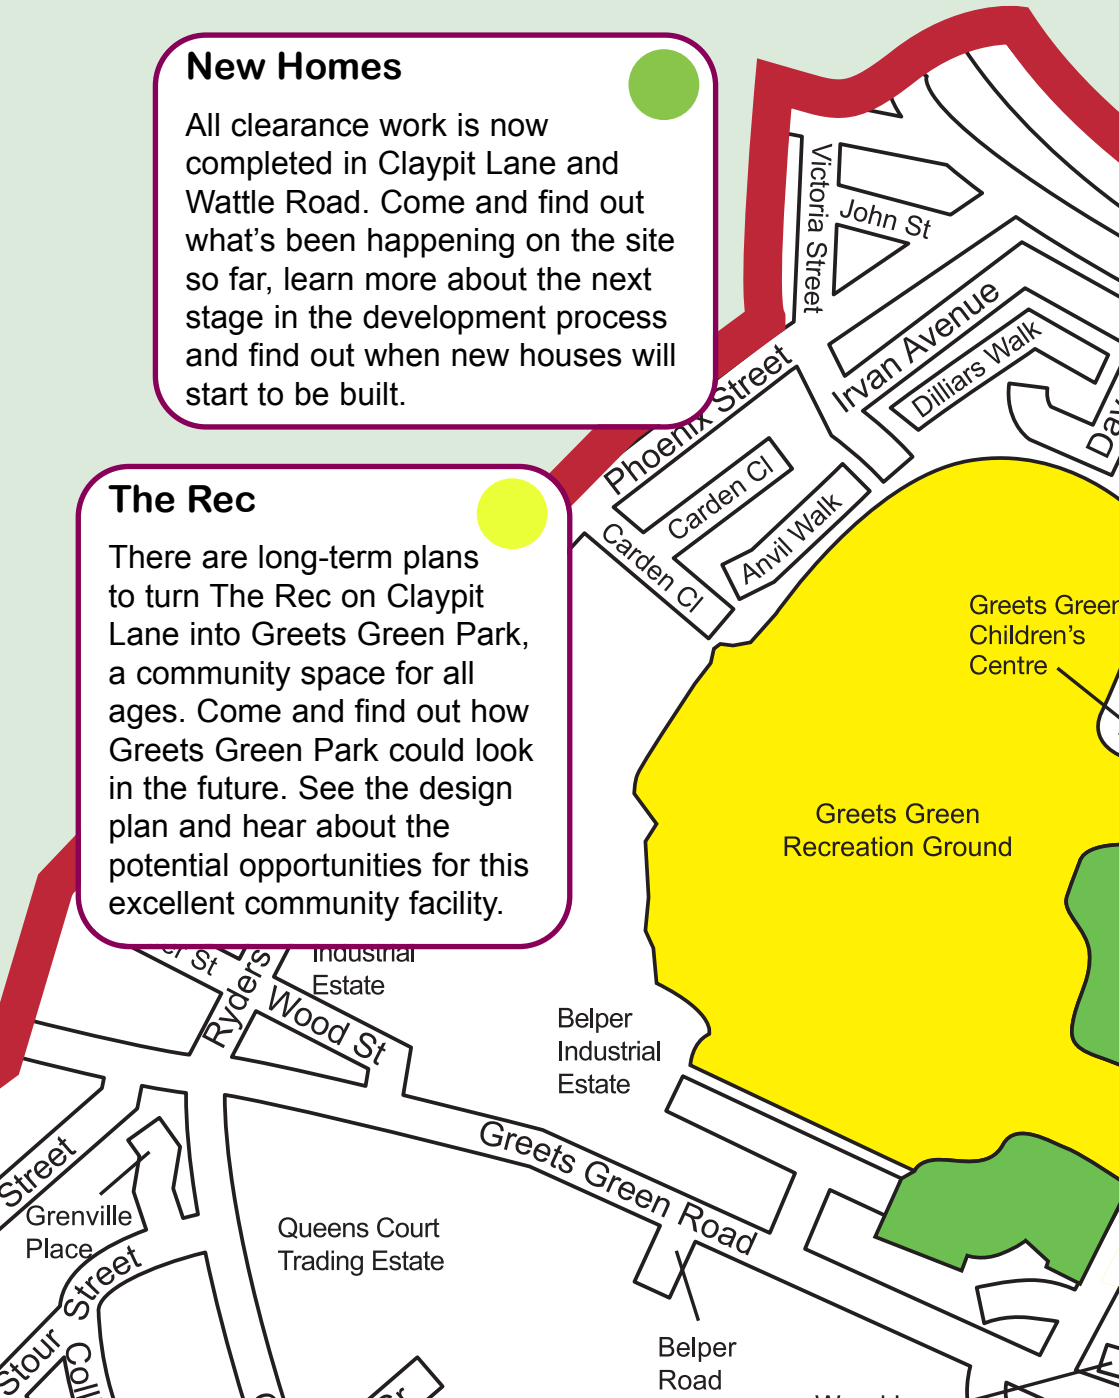

LATEST DEVELOPMENTS

New Homes

All clearance work is now completed in Claypit Lane and Wattle Road. Come and find out what's been happening on the site so far, learn more about the next stage in the development process and find out when new houses will start to be built.

The Rec

There are long-term plans to turn The Rec on Claypit Lane into Greets Green Park, a community space for all ages. Come and find out how Greets Green Park could look in the future. See the design plan and hear about the potential opportunities for this excellent community facility.

DEVELOPMENTS

Extra Care Housing

Plans are underway to develop an Extra Care Housing scheme on the former Meadows School site on Coppice Street. Extra Care schemes provide vibrant communities where older people can keep their independence. This development will be made up of a mixture of one and two bedroom units with a variety of on-site facilities for use by the wider community. Units will be available for rent and shared ownership. Come and view the scheme's potential design and see where the different facilities could be placed.

George Salter Collegiate Academy

George Salter High School is moving to Academy Status. This will create new opportunities to raise standards even further and will provide an innovative and creative environment for teaching and learning. Discover what Academy Status means for the school, local young people and the wider community.
